

SHARE YOUR SHERRY HISTORY

**Rosie Ewoldt and Bev Peaslee are hosting an open house
at the Town Hall on Sunday, June 30, 2013,
from 1:00 p.m. until 4:00 p.m.**

The Town of Sherry was organized in November of 1885, with the first town meeting held in April of 1886. We would like to compile a history of the Town of Sherry, gathering information from historical documents and photographs, residents' stories and photographs, and any other valuable sources.

With this in mind, we will host an open house at the Sherry Town Hall to gather your stories, your photographs, and ideas. We will have a scanner available to copy your photos, letters, news articles or documents, so you can take them back home with you.

We would like you to share your memories and stories with us and your Sherry neighbors. Think back to your earliest memories of living in the Town of Sherry. We're sure there are some great stories.

We will have some questionnaires available to help prompt those memories, but take a few minutes to jot down some thoughts.

Share this notice with your friends and neighbors – if they aren't able to come to the town hall, let us know and we'll go to them.

This is the first of our meetings. It will probably take several sessions to gather all of your valuable stories about our past. If you are interested in joining Bev and Rosie in this endeavor, please let us know—the more the merrier.
