FORM INSTRUCTIONS

CAMPAIGN FINANCE REGISTRATION STATEMENT (CF-1)

Note: Use of this form is required by the Ethics Commission for registration of a political committee or conduit under Chapter 11 of Wisconsin Statute. Completion of this form is mandatory for committees that file on paper. It is not the Commission's intention to use any personally identifiable information from this form for any other purpose.

Item 1. Is this an amendment? Check the appropriate box. If "Yes" is checked, enter the committee ID number if you have one. If "No' is checked, proceed directly to Section A.

Section A: General Information. All candidates, committees, and conduits must complete section A.

Item A1: Committee/Conduit Name. All committees and conduits must have a name. It is not required that the name include the candidate or organization's name, but it is recommended, e.g., Friends of John Smith. A political party committee wishing to operate under the same name as a state political party committee must receive authorization from that state party (WIS. STAT. § 11.0101(26)(a)1).

Depository Institution Information. All committees and conduits must designate a depository institution. While it is recommended that all committees have a designated campaign depository account, candidates who will serve as their own treasurer may designate a single personal account to serve as the committee depository account while claiming a filing exemption and may intermingle personal and campaign funds (WIS. STAT. § 11.0201(2)(b)).

Treasurer/Administrator Information. Each committee must appoint a treasurer and each conduit must appoint an administrator. Any adult may serve as a treasurer or administrator. A candidate may serve as his or her own treasurer. If a candidate is serving as their own treasurer, this section may be left blank.

SectionB:CandidateCommittees.Candidate committeesmust complete section B. No otherNo othercommittee type should complete section B.

Section C: Recall Committees. Recall committees must complete section C. No other committee type should complete section C.

Section D: PAC, IEC, and Conduits. Political action committees, independent expenditure committees, and conduits must complete section D. No other committee type should complete section B. All fields in section D refer to the sponsoring organization's contact information.

Section E: Political Party and Legislative Campaign Committees. Only political party committees and legislative campaign committees should complete section E.

Item E2. A political party or a legislative campaign committee may establish a segregated fund for purposes other than making contributions to a candidate committee or making disbursements for express advocacy (WIS. STAT. § 11.1104(6)). It is recommended that the committee maintain the segregated fund in a depository account separate from the primary account, but it is not required.

Items E3 - E7. If the segregated fund is maintained with the same depository institution as the primary account, write "Same as primary account." in E3.

Section F: Referendum Committees. Only referenda committees should complete section F.

Section G: Certification. All committees and conduits must complete section G.
